CONSTRUCTION YARD LABORER with CDL in Juneau, AK

Our \$200 million company, Dawson Construction LLC, has an immediate opening for a **Construction Yard Laborer with a Commercial Driver's License (CDL)**, located in Juneau, AK. As people are our greatest asset, we are committed to being a great place to work and providing a culture of personal growth and development. We are actively looking for the right individual to round out our Yard team who is interested in building their career with Dawson.

POSITION OVERVIEW

The Yard Laborer with CDL will deliver equipment and tools to multiple job sites. They will also perform tasks involving physical labor at a construction yard, operate a variety of hand and power tools, clean and prepare sites, dig trenches, set braces to support the sides of excavations, erect scaffolding, clean up rubble and debris, and remove waste materials. They will assist the Yard Manager, Equipment Manager, Superintendents, as well as other employees and craft workers.

Essential Functions

- Operates a variety of equipment and vehicles.
- Delivers and picks up equipment, tools, supplies and materials to and from multiple job sites.
- Performs a variety of tasks involving strenuous manual labor in construction projects.
- Understands and adheres to safety and quality control requirements.
- Maintains a clean job site: pick up all tools and equipment and secure job site each day in order to eliminate potential hazards.
- Works off of stilts, ladders, scaffolding and lifts.
- Uses fall protection devices and harnesses, as required.
- Works at varying heights, often greater than 10' above ground.
- Handles and stores material.
- Loads and unloads trucks, and hauls and hoists materials.
- Ensures that proper safety and incident reporting procedures are followed.

QUALIFICATIONS

Required Education & Work Experience

- Valid Commercial Driver's License
- Experience delivering equipment, tools, supplies or materials.
- Maintain an active CDL license.
- Able to operate forklift, excavator, skid shifts, etc.

Skills, Knowledge and Abilities

- Some knowledge of proper use of equipment, materials and supplies used in construction work.
- Some knowledge of first aid and applicable safety precautions.
- Ability to work independently and complete daily activities according to work schedule.
- Ability to lift heavy objects, walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions.
- Ability to communicate orally and in writing.
- Ability to use equipment and tools properly and safely.
- Ability to understand, follow and transmit written and oral instructions.
- Ability to meet attendance schedule with dependability and consistency.

We offer competitive pay, excellent benefits, a culture of continuous improvement and opportunity for career advancement through continued company growth.
